

*GOOD
MORNING*

Ethical guidelines

The image shows the exterior of the Krishnadevaraya College of Dental Sciences & Hospital. The building has a grey wall with the college's name in gold lettering. Above the name is a circular emblem. To the right is a large glass entrance with multiple panes, some of which have red cross symbols. A set of concrete steps leads up to the entrance. In the foreground, there are several potted plants in green containers. The ground is paved with light-colored bricks. Some green leaves from a tree are visible in the upper right corner of the frame.

**KRISHNADEVARAYA COLLEGE OF DENTAL
SCIENCES & HOSPITAL**
