**DANTHA BHAGYA YOJANE**

It is a privilege and a honor for our college to be associated with the first Govt of Karnataka scheme for oral health titled 'Dantha Bhagya Yojane'. Herewith, the guidelines are mentioned for the smooth conduct of the program. Kind cooperation from all the concerned departments is hereby solicited.

**GUIDELINES FOR REGISTERING PATIENTS**

1. Age: There is relaxation of age for all beneficiaries. If the patients have BPL card and need complete denture, age can be relaxed.
2. Patients needing Extractions: Extractions can be done free of cost for all remaining teeth, once the case is approved for complete dentures.
3. Laboratory tests: Those patients needing basic blood tests like RBS, Complete Blood Test, etc can be done free of cost.
4. X Ray/ OPG: Patients requiring any X Ray can be done free of cost.
5. The OP card issued at the registration counter will be free.
6. Pre-prosthetic surgery: Any patient requiring pre-prosthetic surgery (other than extractions) will have to pay for the surgery.
7. In case the Devanahalli General Hospital is able to identify and organize minimum of five beneficiaries at a time, college shall provide transport to pick up and drop the patients on prior appointment basis in consultation with the department of Prosthodontics.
8. All efforts shall be taken to minimize waiting time and any clarification can be made in consultation with the department of Public Health Dentistry.
