Subject: Foundation Certificate Course on Forensic Odontology

Respected Dr. Ponnanna A.A,

Sherlock Institute of Forensic Science, SIFS India came into existence in 2006; since then, it has been rendering its quality programs and pioneering in forensics, with a highly appreciative and endearing approach from its students. We have marked our skilled presence in the various government and private sectors globally. SIFS India invites all avid learners throughout the globe to have an amazing learning experience through our one-month **Foundation Certificate Course on Forensic Odontology** with exposure to dental processes, procedures, and a lot more in the field. Enrolled students will get an opportunity to learn from eminent academicians & industry professional who have vast experience in the field of Forensic Odontology.

Course Details:

Fee : 1500 INR
Duration : 1 Month
Start Date : 1st April 2023 [Last Date of Registration – 25th March 2023]
Mode : Online
Platform : Zoom

Scope of the Deliverables:

1. Students of the University/ College can enroll for the Foundation Certificate Course at **1500 INR**.
2. Faculties of the University/ College can enroll for the Foundation Certificate Course at **Free of Cost** only if **minimum 10 students** are enrolled from the respective University/College.
3. Faculties are supposed to fill the University Code [**Referral Code – KCD23**] while filling the form to avail the benefit.
4. **SIFS INDIA** shall provide online sessions and its own copyrighted study material for the course.
5. Once the Program ends, the certificate shall be granted to Faculty and students.

Foundation Certificate Course can also be done in collaboration with University/ College on mutual agreement with already mentioned deliverables. Joint Certification can be provided to the students along with official logo and signatures and this can be counted as academic activity for University/ College as well.

We are looking forward to the course and appreciate your interest in it. Don't hesitate to e-mail me if you have problems in getting into the course.

We will be eagerly looking forward to your positive response.

Regards,

Dr. Ranjeet Kumar Singh
