The workshop will cover the following syllabus:

Day 1: Research Methodology Fundamentals and Data Collection Techniques

Day 2: Data Analysis Using Smart PLS (Partial Least Squares)

Day 3: Effective Report Writing in Research

Day 4: Research Presentation Skills

Day 5: Tools and Technologies for Researchers

By participating in this workshop, you will gain knowledge in research methodology, data analysis, report writing, presentation skills, and the use of various tools and technologies for research. This will undoubtedly enhance your teaching and research capabilities, ultimately benefiting your students and academic pursuits.

We highly encourage your participation and kindly request you to share this invitation with your colleagues and fellow faculty members. Their engagement in this program will greatly contribute to its success and foster collaboration among institutions in our collective pursuit of excellence in education.

If you have any questions or require further information, please feel free to contact us at [office@scrollwell.com](mailto:office@scrollwell.com).

We look forward to welcoming you to this enriching workshop.

Best regards,

**Kunal**
