

**KRISHNADEVARAYA COLLEGE OF DENTAL SCIENCES & HOSPITAL
BANGALORE - 562 157**

Dear Madam/Sir,

Greetings from the VMRF(DU), Salem.

We are pleased to inform you that Vinayaka Mission's Research Foundation (Deemed to be University) is organizing the International Conference on Technology & Innovation in Healthcare (ICTIH 26) as part of its Silver Jubilee Celebrations on 09.01.2026 and 10.01.2026 at VMKV Engineering College Campus, Salem. Tamilnadu, India.

The conference aims to unite global visionaries, researchers, healthcare professionals, technologists, and entrepreneurs under one roof to explore how cutting-edge innovations are transforming modern healthcare systems.

This conference serves as a premier platform for knowledge exchange, collaboration, and the sharing of pioneering ideas that bridge the gap between technology and medicine. It focuses on the integration of engineering, information technology, and medical sciences to create sustainable, accessible, and patient-centered healthcare solutions.

Highlights of the Conference

- Key Note speeches
- Panel Discussions
- Idea Pitching
- Special Innovation Awards
- Paper & E-Poster Contest
- Registered Live Global Streaming
- Exciting Programs
- Multi-disciplinary approach
- Medical Expo

Who can participate :

- Faculty/Students/Practitioners from Medicine | Dentistry | Homeopathy | Engineering & Technology | Pharmacy | Nursing | Physiotherapy | Allied Health Sciences | Sciences

In this regard, we kindly request your esteemed institution to encourage faculty members, research associates, research scholars, and students to participate and

present their research contributions in this significant academic event. The conference aims to serve as an international platform for knowledge exchange, research dissemination, and discussions on advancements and innovations in healthcare technology. Detailed information regarding conference themes, registration procedures, important dates, and contact details is provided in the attached brochure. We look forward to the active participation and support of your institution to make this international event a grand success.

We would be delighted and honored to have you with us on this occasion.

Please feel free to contact the team concerned for any clarifications:
